

REGULATIONS FOR THE USE OF COURTS

Club Rules and Conditions

Purpose

1. These regulations aim to govern the use of the Club's sports courts, the reservation system, access conditions, and the rules of conduct applicable to members, subscribers, and users.

Rainy Days

1. A rainy day shall be considered any day on which the courts are not in optimal playing condition as a result of current or recent rainfall.
2. Under such circumstances, each member may make a single reservation of one (1) hour.
3. On rainy days, the Club's Academy shall have priority in the use of certain courts, subject to availability and at the discretion of Management.
4. In the event of a reservation being cancelled due to adverse weather conditions, the user will receive an email notification informing them of the cancellation.

Court Availability and Condition

1. The condition of the courts will be updated daily between 8:00 and 8:30 a.m. in the reservation system.
2. This information will be published through the same platform used for managing reservations.

Reservation System

1. Use of the courts without a prior reservation is not permitted.
2. Reservations must be made exclusively through the official system enabled by the Club.
3. Each member may hold a maximum number of active reservations in accordance with the current internal regulations.
4. On rainy days, each court may be reserved for a maximum of one (1) hour, regardless of the number of players using it.
5. Players sharing a court are not allowed to make consecutive or simultaneous individual reservations in order to extend total playing time; such practice shall be considered a breach of these regulations.
6. Unjustified failure to attend a reservation ("no show") may result in penalties.

Schedules and Restricted Use Periods

1. During the Easter period, defined as a period of one (1) full month, and during the summer season, from July through September, special restrictions shall apply to the use of the courts.
2. During these periods, the following time slots are established:
 - **Peak hours:** from 8:00 a.m. to 12:00 p.m. and from 6:00 p.m. to 9:00 p.m. The maximum playing time allowed is one (1) hour per court and reservation.
 - **Off-peak hours:** from 12:00 p.m. to 6:00 p.m. The maximum playing time allowed is two (2) hours per court and reservation.
3. These limitations apply regardless of the number of players occupying the court and must be respected in accordance with the type of membership and the maximum daily allowance applicable in each case.
4. Outside the periods indicated above, court use shall be governed by the general conditions established for each type of member.

Use of Courts After Rainfall

1. On the day following a rainfall event, court use will be organized according to the order of reservations and actual availability.
2. Delays may occur if the courts are not completely dry or in suitable condition for play.

Cancellations and Rescheduling

1. On rainy days, reservations may be cancelled without penalty.
2. If the court is not in suitable condition at the start of the reserved time, rescheduling shall be permitted, subject to availability.

2. Smoking is strictly prohibited within the Club's facilities.
